Swinging into Fall Fun: “Santee Opens New Playground”

Join the City of Santee on Thursday, November 10, 2022 at Weston Park, located at 9050 Trailmark Way, Santee 92071 at 4:00 P.M. for the inaugural ribbon cutting for Weston Park’s playground.

The new playground structure boasts nature-themed amenities such as a rock-climbing wall, log balancing beam, and parent-tot/ sibling swing, which will stimulate children with engaging physical challenges. The playground includes a tot lot for ages 2 to 5 and a play structure designated for children ages 5 through 12. Santee understands the vital role playgrounds have in a community. This new playground will encourage child development by providing opportunities for creativity and innovative ways for exercise. The highly-anticipated playground will motivate families to enjoy the new outdoor space and contribute areas for play, rest, and togetherness for the entire Santee community.

The Mayor, City Council and local families will celebrate the official opening of the playground with a ribbon cutting, butterfly release and light refreshments, everyone is welcome to attend.

For questions regarding the ribbon cutting please contact Community Services at (619) 258-4100 x222.

If you are unable to attend in person please tune into SanteeTV for a recap of the event on AT&T Channel 99 (SD Market) | Cox Communications Channel 117 (SD County) or stream it live from the City of Santee’s website www.CityofSanteeCA.gov.
